

THE SUNDAY SMOKE

Iss1. August AU14 - Advertisement free is sponsored by the Blue Drake Inn Compton

Fang Dead

Fang is dead. Yes this reporter can report Fangs is dead. Tragically he died and is now an ex Fang, he has gone never to return, popped his clogs, etc.

Some are asking how he died. Well in an exclusive interview with Mikhail of The Agent Dawn, Mikhail said one minute he was having a pleasant game of dominoes with Rashid the Witch King and the next he swallowed a domino and choked to death, I was under command code K.I.L.L.A.L.L so failed to make him cough it up. Rashid was that upset he sent the Witch King home and retired to bed sulking.

Some others are asking how did he die we want the gory details. Well the truth is he was sitting talking to Mal and his head exploded sending bits of blood covered brain flying everywhere; Zach failed to catch any despite his need for brains. Blood and gore went all over, even on the Kaileen's nice shiny armour. Kaileen said afterwards he's going kill Fang for the mess he made.

Mink says "I love the weight of a lovely big weapon"
Mink says "The Ard-ri bow is well strung, if you know what I mean, it shoots a hard and fast."

Sunbathing Vampires

Its seems the Vampires are not satisfied with nights on the town; they now want to get a tan on Compton holiday beaches. One Mr Du Mornay has created a day walking vampire suit for his friends. Although apparently they fell out over the colour and the twelve other Vampires left the meeting saying Mr D had no taste in clothes and they would not been seen alive in brown.

A God is

found in Salem and goes by the name of Nightjar.

Drack

Fang wasn't the only death this week it seems William Abberton also died. And not forgetting Mr and Mrs Rakken and their One thousand two hundred and fifty four children. The Thule Brotherhood blames a bad batch of cheese.

Drack News Update

If the death of Fang wasn't enough it seems we have life Victor Von Dumas is also not dead he was spotted by Six Three Pee Oh V.D's long lost tin man who has still not found his heart or was that courage, no it was a brain, apparently he stole Zach's, although Zach said "I gih na ug speek now".

We tell the truth as we see it.

Tristan is a Witch

Apparently Tristan is a Witch; he wears a pointed hat and casts spells. Tristan of denies this but I saw him ride a broomstick and he's got a wart the size of head on his head. We intend to find out by burning him to death, if he does not die it will prove he is a Witch and we can burn him to death as punishment.

Message above from Cardinal Witch burner the Tolerant.

Mink says "I love my vegetables carrots, gherkins, leeks but my favourite is always a cucumber"

Brotherhood

Yes their back and they are badder, better, brilliant and something else that begins with B like banana or bread.

They are lead by Arthos the Sane and include Mordred the Undecided, Mir the Mad, Mal the Mugger, Miranda the Tainted, Tristan the I'm not a Witch, Darithor the Dark, Strathmore the Chaos Eyed & Percy the Havelock split personality.

Illustration of IzzanBad the down with it time brother from a parallel world

Illustration By Natalia

Natalia daughter of Magnus Von Kesseler and talented dice roller. She also likes tall men with red bandana's and getting home late to annoy her dad

The World Biggest Killer

This reporter has been researching who are the world's biggest killers and can confidently report he has no real idea, but Izzanbard Devlin did kill one person and Chance killed more people than my Aunt Nelly's porridge and Nightjar put together, but the real killer in the world is apparently Old Age, yes Old Age as killed more people than any other, nobody is sure if Old Age is male or female but SHE is definitely lethal, although she appears to have a soft spot for children, since I can find nobody who as seen Old Age kill children.

Be scared Old age is coming your way unless your immortal that is, die first or give her chocolates, she loves a hazel nut surprise with a cherry inside nice dark chocolate.
Yes chocolate helps keep Old age at bay.

Further News on Drack

Yes we forgot to mention as well as Fang others died including a nettle which got burned down by stray a fire ball

News Focus

Science - The recently revamped Maths Compactor was released which can compact $2+2$ to equal 1 by using pure Chance.
