

Divorce

Marlon Rumashore & Roof Sirees got married in February and got divorced in June or August.

Marloo apparently during their honeymoon in the Thunders left the country without telling Ruff to travel all the way to Archipelagogo & go visit his secret lover Bedeline in Whitewater. Observers spotted Marglow spending hours in Bedeline's room at the Fey Lip Squid Inn, the inn keeper said "Theer wo up ta somat, they waint just nattering" and the cleaner said "Aye bed wha used, summun slept in it or my barnacles will fall off".

Rooth is so annoyed she requested a giant sized frying pan, a new rolling pin, 6 bullets with Marlow engraved on them and every torture device in the Thull Brotherhood Christmas Catalogue

The Sunday Smoke is printed to make us enough money to buy a nice little cottage on the other side of the island to the Vampires. The Sunday Smoke is looking for nude reporters and will offer all Gazzeeb reporters a one hour lesson at Seamstressing if they join us.

Deadley Circus

When you go watch the circus in the Thunders watch out or you will find yourself made to wear a kabuki mask and given a sword and then asked to perform in front of a rather unfriendly crowd.

Local farmers said this about what happened to them

“私達はサーカスを好むが、あなたの表面につくマスクと打たれる目覚めることはよくない”

Which our reporter translated as “I will beef sandle if rainy igloo's eat penguins”

Sir Kailen Lost Green Sword

I know most of readers will find it unbelievable but in a contest to show who was the best fighter Sir Kailen lost! Sir Kailen however did win the longest name and titles competition.

Mal, Ruth, Prince Imerick, where knocked out in early rounds as they were pants. Wo Sing Wo, Kitsunne, Sir Bedivier, Tarin Howell, Jokin, Joajin Karasawa did better so are just rubbish.

The final four were Sir Kailen Otorno Istel, Arakasi the Tiger Mirror, Shika head of the Sanctuaries Military & Basun representing the Golden Vampire.

Sir Kailen fought with style, good tailoring & a sword but the final was eventually a duel between Arakasi and Shika with Shika victorious.

Future Vampire Dead

The future vampire is it's now dead. Mr Du Mornay is said to be upset since the vampire was teaching him some great new juggling techniques which would benefit all the world. He did say he still has a vampire army and the tricks he's already learned so stuff you Falco, Stommiler, Comtessa and co. Mr Du Mornay was also bragging that at least he could sire more vampire's while licking his fangs and wiggling his hips.

A nasty werewolf is at large "DO NOT PANIC!" Just RUN, in fact run very fast, no sorry this werewolf is fast so curl in a ball and go fibble.

You can recognise this werewolf by its hairy arms, fangs and cold nose. It was last seen in the Thunders but also seen in Union, Archipelago, Dust and Salem.

Mr Snow has offered a reward of 1,000,000 fluff and cheap buttons for any person who captures the beast.

A Mr Jebediah speaking from Salem says he saw the beast in Frontier.

Bedeline Cheats on Marlow

Lady Bedeline Marlow's secret bit on the side was seen in a room with the upstanding gentlemen Markus Savant of the Potters Guild.

Seen at the The Sex, Chips & Gravy Inn the couple were said to be enjoying trying out each other's skills.

Markus was seen sitting behind Bedeline helping her make tall phallic clay things on the potter's wheel, and Bedeline was said to be whispering nice sweet nothing things in Markus's ear(s).
